Your baby begins learning at birth and Parents as Teachers can help you give your baby the best possible start in life. Parents as Teachers is a free and voluntary early learning Program for parents in the Tweed Heads area. Priority is given to first time parents with new born babies.

Parents as Teachers was developed in the early 1980s in Missouri, USA and has become a model for replication in other American States, New Zealand and Australia.

Parents as Teachers has operated successfully in NSW since 1991.
